CERTIFICATE

Subject: Chemical substance _ MOSH, MOAH, Asbestos and PCBs

Products:

030561/030727 TT-53 Standard Black
030587/030739 TT-53 Premium Black
030599/030742 TT-53 Excellence Black

Kortho has completed examinations to identify if the following chemical substances are contained in the product listed above.

- MOSH, mineral oil saturated hydrocarbons
- MOAH, mineral oil aromatic hydrocarbons
- Asbestos
- PCBs (polychlorinated biphenyls)

As part of the procedure, Kortho has:

1. reviewed all available data in regard to the presence of the chemical substance in our products and in the production processes.
2. made enquiries to suppliers to confirm if the chemical substance is contained in the raw materials, supplied to Kortho, to be incorporated into the products.

As a result, Kortho confirms that, to the best of its knowledge, the product, listed above, does not contain the chemical substance.

Sincerely yours,

Signature:
