Subject: REACH SVHC Substances

Products:

030561/030727 TT-53 Standard Black
030587/030739 TT-53 Premium Black
030599/030742 TT-53 Excellence Black

Kortho has completed examinations to identify if any SVHCs (Substances of Very High Concern) are contained in products listed above.

As part of the procedure, Kortho has:

1. reviewed all available data in regard to the presence of SVHCs in our products and in the production processes.
2. made enquiries to suppliers to confirm if any SVHCs are contained in the raw materials, supplied to Kortho, to be incorporated into the products.

As a result, Kortho confirms that, to the best of its knowledge, the product, listed above, does not contain any substances on the SVHC List (1st ~ 27th, 224 substances), issued on 10 Jun 2022, in concentrations above 0.1 % (w/w).

Sincerely yours,

Signature:
